<p>May 29, 1942, forty-two of the school children received physical examinations by Dr. Wm. Clough, Jr., of New London. These examinations were done at the Town Hall and he was assisted by Miss Melendy and Miss Ann Robinson. This work was sponsored by the S. N. A.</p> <p>Nearly all of the physical defects found at this time have received the prescribed treatments and nearly all the cases have responded to their treatment.</p> <p>May I take this opportunity to thank each and every one for their support to the S. N. A. and those who have cooperated so faithfully and willingly, with me, thereby making my year as your visiting nurse a pleasant one.</p> <p>Respectfully submitted,</p> <p>FLORENCE E. MELENDY, R.N.</p>	

Volunteer Firemen

February 8, 1943

The Springfield Volunteer Fire Department was organized at the first meeting which was held April 25, 1942. S. J. Crowningshield was elected Chief, Guy H. Cross, Asst. Chief, and Harold C. Brown, Jr., Secretary and Treasurer.

The balance of the department was made up of twenty-three privates which included members from both Springfield and West Springfield.

It was voted to buy a truck as we did not have adequate facilities to transport our equipment to a fire. We were very fortunate in being able to buy the V-8 Ford Truck from Guy Cross for the sum of \$200.00 which with a small amount of labor and expense we were able to convert it into an exceptionally fine running Fire Truck.

Since we had no money to start with ways and means of obtaining revenue were discussed. It was voted to have a few dances, also a Field Day, and from these sources \$191.83 was realized plus \$49.94 from the sale of scrap iron. From our summer residents as well as some of our townspeople from whom the treasurer solicited the amount of \$154.00 was raised.

We have paid for our truck, put it in first-class condition, bought a new battery, a pair of chains, also a fire ladder. After paying for these and other outstanding bills we have a balance of \$83.20 in the treasury.

Since the Town did not have a satisfactory supply of water in the village in case of a winter fire, it was voted to dig a water hole or well on land belonging to Dallas Patten and Loren Patten, which was nearly completed. Some of the work is being paid for by the Department, the rest donated by the members and townspeople. It has been a very worth while project and gives a great deal of fire protection to the village as the well holds many thousands of gallons of water with a large stream continually running in.

We hope to provide more of this fire protection in various parts of the Town this coming summer.

Fire Warden's Report

It is recommended that the small amount of \$25.00 be made available for the purchase and keeping in repair small forest fire hand tools. These small tools can be obtained through the State Department at one-half the cost to the State.

During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.

2. To be careful when smoking in or near the woods and not to throw or drop lighted cigars, cigarettes or matches.

3. To notify your local warden promptly of any fire you see.

4. That fire prevention is the best and cheapest fire insurance.

5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. *This is patriotism at work.*

The 1942 fire record for our town follows:—

Number of fires or investigations	None
Area burned	None
Number of permits issued	22

Further detail data available upon request.

Auditor's Certificate

This is to certify that I have examined the books and other financial records of the School Board and School Treasurer of Springfield, of which this is a true summary for the fiscal year ending June 30, 1942, and find them correctly cast and properly vouched.

HILDA E. CLOUGH, Auditor.

Report of Superintendent of Schools

To the Springfield School Board:

I herewith submit the annual report of the Superintendent of Schools:—

The enrollment in the school of Springfield has been gradually decreasing the past few years. There are now 30 pupils at West Springfield and 8 at Maxfield School. Only one of the Maxfield pupils is a resident of Springfield. The drop in registration is due largely to families moving out of town.

We still maintain the arrangement with the Grafton School District whereby the latter pays its proportionate share of the current expenses of the Maxfield School. This seems fair to both districts.

Only one of the four eighth grade graduates of last June went on to High School. We are sorry that the others could not avail themselves of further education. A high school course is a great asset, especially in these days when science, mathematics, and typewriting are so much in demand.

The pupils are buying war savings stamps each week, thereby helping the government finance the war and also building up their own savings accounts. Last fall the Maxfield School purchased stamps amounting to \$18.50; Center School, Grades 1-4, \$21.80; Center School, Grades 5-8, \$8.70; total \$49.00.

Mrs. Yvonne Kezar resigned at the end of the last school year. Her place was filled by Miss Ruth Ladd of Orford, New Hampshire; Keene Teachers' College, 1942.

Both schools were redecorated inside during the summer vacation. New window shades were installed at the Center School.

In addition to the regular school work most of the older pupils engage in the projects of the 4-H Club. This club is sponsored by the State Board of Education and the University of New Hampshire Extension Service. By permission of the local School Board about one hour a week is devoted to the club meeting. This work is not only educational but is of great practical value. The members are to be commended for their achievements. I am including in this report the statements sent to me by the secretaries of our two 4-H Clubs.

HAPPY WORKERS CLUB OF WEST SPRINGFIELD

"We have 17 members in the Club, 9 boys and 8 girls. There are 10 new members: Dallas Patten, Alfred Duford, Frances Duford, Alice Beals, Joyce Rowe, Beverly Brown, Marjorie Rudner, Ella Carpenter, Patricia Heath, and Norma Oksa.

"Our president is Kneiland Wheeler; vice president, Richard Brown; secretary, Doris Hooper; and our treasurer is Kenneth Butcher.

"We have collected scrap, bought defense stamps, and worked on fire prevention. The boys have been cutting wood.

"We are going to do more to help win our victory."

DORIS HOOPER, Secretary.

REPORT OF TURNPIKE TOILERS 4-H CLUB, MAXFIELD SCHOOL

"The Turnpike Toilers 4-H Club of Maxfield School has a membership of four girls and three boys this year. The officers are President Phyllis Donovan, Vice President Lloyd Church, Secretary Freeman Johnson, Treasurer Janice Ricker. The girls are taking two projects each: (1) Clothing conservation, which includes making over garments, as well as making new garments and (2) Food and Health which includes preparing and packing school lunch boxes. The boys are taking the fuel wood project which is cutting wood for the home.

"Last year the members canned 105 quarts of fruits and vegetables. Six members had gardens, one raised a calf, one a pig, and another raised fifty chickens. The value of all the projects together was estimated at \$115.00.

"With the help of the 4-H members, fruit and vegetables were picked from berry fields and gardens so that the parents of four families were able to can about 645 quarts for winter use.

"The eight members of Maxfield School also belong to the Junior Red Cross. They donated during the drive and have made several scrap books of jokes, poems, etc., which will be sent to the Chairman."

FREEMAN JOHNSON,
Secretary.

I want to express by deep appreciation of the fine cooperation of all my co-workers.

Respectfully submitted,

ALFRED W. SMITH,
Superintendent of Schools.
